	precision	recall	f1	support

A vertical color bar on the right side of the table, serving as a heatmap legend. It shows a gradient from light blue at the bottom (0.0) to dark blue at the top (1.0), with intermediate ticks at 0.2, 0.4, 0.6, and 0.8. The color intensity corresponds to the numerical values in the precision, recall, and f1 columns of the table.
